This arrangement should be necessary only in the fields of Classical and Modern Languages and Art.

The courses whose numbers are preceded by "S" indicate graduate courses open to advanced undergraduate students who lack only forty-eight quarter hours credit toward graduation and who meet the prerequisite requirements indicated in the catalogue.

The student who plans to enroll in student teaching courses during the Spring Quarter of 1952-53 must have his application approved not later than February 1, 1953 by the Chairman of the Department of Curriculum and Instruction (Education). The application should be attached to a statement from the student's advisor certifying that the student has met the certification requirements in the subject matter area. If approved, the application should be taken to Mr. Roland, coordinator of student teaching assignments, for processing.
